

TNECT AT THE BRADLEY PLAYHOUSE PRESENTS

Tree Jubilee & WREATH EXTRAVAGANZA!

We're sprucing up the Bradley Playhouse this holiday season and turning it into a magical tree-filled spectacular to create a delightful family-friendly holiday experience with our first annual Tree Jubilee!

Donated artificial holiday trees & wreaths will adorn our historic lobby and theatre during this special fundraising event on November 27 and 28 from 11:00am - 4:30pm.

This free event will give families a beautiful and uplifting way to enjoy the season of gratitude and giving while also providing an opportunity to purchase chances to WIN and take home a decorated tree or wreath of their choice and to take a memorable photograph with Santa Claus! We will also be collecting non-perishable food donations for local community food banks.

**Would you go out on a limb for us and
DONATE & DECORATE a tree
or wreath for our holiday fundraiser?**

Decoration & Donation Guidelines:

- Drop-Off dates & times will be coordinated with participants
- All greenery (Trees & Wreaths) must be artificial.
- All items must be sized and suitably decorated for placement in a home or place of business. Trees must not exceed 8 feet total in order to fit through a standard size entry door.
- No living plants or animals may be used
- All trees must have lights. Only CSA approved lights may be used and they must be the type that remain lit if one bulb goes out. Extra replacement bulbs should be taped to the cord at the tree stand.
- Please do not use loose glitter, confetti or artificial snow.
- Please do not glue items directly to the branches.
- Please include a tree skirt or covering for the base of the tree along with the decorated tree. The tree skirt will be included with the tree.
- Items of value such as gift cards/certificates, scratch tickets or money should be given to a Tree Jubilee organizer and copies should be placed on the Tree or Wreath. The originals will be given to the winner.
- All ornaments should be securely attached to the tree with craft/floral wire, pipe cleaners, or narrow ribbon. If ornament hooks are used bend them closed so they don't fall off when the tree is being moved.
- An extension cord should accompany the tree. Black or green would be best.
- Please do not use fragile ornaments, dried flowers or alcohol or drugs as decorative elements.
